7 Additional options — if applicable

If a new account owner or custodian has been named in Section 2, this section should be presented to them for review.

- A. Online/telephone exchange and withdrawal privileges will automatically be enabled on your account unless you decline below. To decline these privileges, read the individual statements and check the applicable box(es).
 - **Note:** If either option is declined, no one associated with this account, including your financial professional, will be able to request exchanges and/or withdrawals via the website or by telephone. Requests would need to be submitted in writing.

Exchanges: I DO NOT want the option of using the online/telephone exchange privilege.

Withdrawals: I DO NOT want the option of using the online/telephone withdrawal privilege.

Important note:

Adding or changing an automatic exchange or rebalance plan on an existing account will be considered a change in investment strategy. The request may be denied if a change in investment strategy exceeds two per year. Refer to the *CollegeAmerica Program Description* for additional information or speak with a financial professional. You may only exchange from one fund to another or rebalance funds within the same share class.
