Dear Jessica Chang,

Although the above-referenced brochure appears consistent with applicable standards, we have the following comments:

We note that both the gross and net expense ratios for multiple Funds are (potentially) disclosed on pages 23 through 26. As we acknowledge the gross and net expense waiver disclosures on pages 27, 28 and 29, the communication fails to state if a net expense ratio, if applicable, results from a voluntary or contractual fee waiver, and how long the waiver is supposed to be in effect. We remind the firm, when the Fund information is populated and if there is a net expense waiver available, the brochure will include this information, in accordance with SEC Rule 482(i)(2).

Please note our review does not cover the content available under the QR code(s) or hyperlinks. It is the member's responsibility to determine if any of the linked content is subject to the filing requirements, pursuant to FINRA Rule 2210(c), and to file it as appropriate.

In addition, our review does not extend the to the content that is not in English.

If you have any questions, please contact (240) 386-4500.
